Sheridan November Board Meeting

- ▶ Currently we own 2 cars and 1 van for transporting special education students.
- ▶ Currently the van is the only vehicle used daily.
- ▶ The 2 cars are not driven often and we only need one for back up or to use if needed for transporting students.
- ▶ We would like one of the cars to be identified as surplus property and sold to the highest bidder.
- ▶ 2006 CHEV 4D Impala, Plate 163 DNE, 211,701 miles, Blue Book Value \$2,230
- ▶ We will advertise the sale locally.
