In consideration of these recitals, and the terms and conditions of this Agreement, and intending to be legally bound, the Parties agree as follows:

1. **Scope of Project.** Contractor shall perform all Work required for installation of certain audio and visual equipment for various locations in District 97, located at multiple schools in the district (the “Project”). Contractor shall be solely responsible for the Work of its employees and its subcontractors’ and suppliers’ employees.

3. **Schedule.** Contractor shall require all of the Equipment to be delivered to the Project no later than July 1, 2024. Contractor shall schedule the installation of the Equipment with the Owner for some date(s) between July 15 – August 16, 2024, and shall cause all Work required by the Contract Documents to be substantially completed by August 16, 2024 unless another date is agreed upon by the Parties in writing (“Substantial Completion”) and project finished by September 15, 2024. “Substantial Completion” means that the Owner can occupy and fully utilize the Project for its intended use, and that all warranties, manuals, instructions, certifications, reports, record or as-built drawings, and any other document required by the Contract Documents have been properly submitted to and accepted by the Owner; and that the only remaining Work is minor cosmetic work that does not interfere with the Owner’s operations (the “Punch List Work”). The Contractor shall complete the Punch List Work within ten (10) days after the date of Substantial Completion. Time is of the essence under this Agreement.

4. **Equipment.** The Equipment, as defined in the Contract Documents and installed on the Project and incorporated into the Work, shall be new and of high quality. Contractor shall follow all manufacturer’s instructions and recommendations. If requested by Owner or otherwise required by the Contract Documents,

Contractor shall, before purchase of such material, submit to Owner for Owner's review, and in a format acceptable to Owner, all product data, literature, and shop drawings.

5. **Differing Site Conditions.** If Contractor uncovers or discovers any concealed condition differing materially from conditions depicted in the Contract Documents or differing from conditions reasonably anticipated or inherent in the Work, Contractor shall immediately stop the Work and notify the Owner of the condition in writing. The Owner shall then issue directions. The contract time and contract price shall be equitably adjusted if necessitated by such directions of the Owner. However, prompt written notice by the Contractor of the condition, followed by directions from the Owner, shall be conditions precedent to such adjustments.

6. **Contractor's Compensation.** Owner shall pay the Contractor the sum of [INSERT AMOUNT OF CONTRACT] for Work properly performed under this Agreement.

7. **Payments to the Contractor.**

- a. Stored Material. Progress payments will be made for materials and equipment not incorporated in the work, provided that:
- (1) Such materials and equipment have been delivered to and suitably stored at the site or some other location approved in writing by Owner. Payment for materials/equipment stored off-site will be permitted only on Owner's prior written authorization.
  - (2) The Contractor submits evidence of title to such materials and equipment, if applicable.
  - (3) The care and custody of such materials and equipment and all costs incurred for movement and storage shall be the responsibility of the Contractor.
  - (4) Such materials and equipment are suitably insured by the Contractor. The Contractor shall submit a certificate of insurance showing the Owner as an additional insured and showing the amount of the insurance coverage.
- b. Lien Waivers.
- (1) Partial Lien Waivers: A lien waiver is not required with the first payment application by Contractor. Lien Waivers are not required with first payment of subcontractors and suppliers. Each subsequent payment application shall be accompanied by the Contractor's partial waiver, and by partial waivers from all subcontractors and suppliers who were included in the immediately preceding payment application, to the extent of that payment.
  - (2) Final Lien Waivers: The Contractor's request for final payment shall include final lien waivers in the full amount of their contracts from all subcontractors and suppliers for which final lien waivers have not previously been submitted.
- c. Payments to Subcontractors and Suppliers. The Contractor shall pay such subcontractor and supplier, promptly upon receipt of payment from Owner, an amount equal to the percentage of total contract completion allowed to the Contractor on account of performance by the subcontractor or supplier, less the retainage and less amounts previously paid to the subcontractor or supplier. The Contractor shall require that all subcontractors make similar payments to their subcontractors and suppliers. Owner may furnish to any subcontractor or

supplier information regarding the percentage of work completed which was used as the basis for payment or the amount of payment of work by such subcontractors or suppliers. Any reduction of the line item retention issued by the Owner shall be passed to the subcontractors and suppliers in accordance with their respective partial payments.

- d. Title. Title to all work, materials and equipment covered by a progress payment shall pass to the Owner upon receipt of such payment by the Contractor, if applicable. This provision shall not relieve the Contractor from the sole responsibility under the Contract for all work, materials and equipment upon which payments have been made or for the restoration of all damages work or as waiving the right of the Owner to require fulfillment of all terms of the Contract.
- e. Withholding of Payments.
  - (1) Owner may withhold payments, in whole or in part, if it reasonably determines: (i) the Contractor's work is not progressing in accordance with the most current construction schedule; (ii) work is not being performed in accordance with the contract documents; and (iii) the Contractor is failing to comply with any provisions of the Contract.
  - (2) Whenever Owner receives notice in writing of a claim of money due from the Contractor to any subcontractor, supplier, workmen or employees for performance of work, Owner may withhold the amount of such claim from the Contractor, provided that such withholding shall not be construed as conferring any rights on such subcontractors, suppliers, workmen or employees nor as enlarging or altering the application or effect of existing lien laws.
  - (3) Owner will notify the Contractor in writing in accordance with the Prompt Payment Act (if applicable) when any payments are withheld. In the event of any withholding, Owner will promptly investigate the facts and will make payments when the grounds for withholding have been removed.

8. **Defective Work and Guarantee.** All Work shall be of high quality and free of defects. Contractor shall promptly correct any defective Work. Payment by Owner for any Work later determined to be defective shall not relieve Contractor of its obligation to correct defective Work. Contractor hereby warrants that all Work is and shall remain free from defect for one year following Substantial Completion, and upon notice by the Owner, Contractor shall promptly correct such defects appearing within said one-year period. This warranty is in addition to any warranties that may be required by the Contract Documents and by law, and this warranty does not abrogate or nullify any breach of contract claim or other causes of action Owner may have against the Contractor.

9. **Termination.** Owner may terminate this Agreement at any time, in whole or in part, with or without cause, upon written notice to the Contractor. If this Agreement is terminated by the Owner for cause, including but not limited to the Contractor's breach of any provision of this Agreement, Owner shall have no

further obligation to make payments to Contractor for Work completed, and Contractor shall be liable to the Owner for any increase in cost incurred by the Owner in completing the Work. If this Agreement is terminated by the Owner for convenience, the Contractor shall be paid for Work properly completed prior to termination, but shall not be entitled to any other compensation from the Owner. Indemnification.** The Contractor agrees to indemnify, hold harmless and defend the Board of Education of Oak Park Elementary School District 97, its individual Board members, administrators, agents, servants, employees (“Indemnitees”), and each of them from any and all lawsuits, claims, demands, liabilities, losses, and expenses (“Claims”); including court costs and attorney’s fees for or on account of any injury to any person, or any death at any time resulting from such injury, or any damage to property, which may arise or which may be alleged to have arisen out of, or in connection with the work covered by this project. The foregoing indemnity shall apply except if such Claim is caused directly by the willful and wanton or negligent conduct of the Indemnitees. The Contractor hereby knowingly and intentionally waives the right to assert, under the case of *Kotecki v. Cyclops Welding Corp.*, 146 Ill.2nd 155 (1991) that Contractor’s liability may be limited to the amount of its statutory liability under the Workers’ Compensation Act, and agrees that Contractor’s liability to indemnify and defend the Owner and Architect is not limited by the so called "Kotecki Cap". The indemnification provisions of this Section 12 are not intended to circumvent the Construction Contract Indemnification for Negligence Act, 740 ILCS 35/0.01 *et seq.* and shall not be construed as such, but in such a way to affect its enforcement. The Contractor shall include this provision in each of its Subcontract agreements and shall require its Contractors to be so bound.

Insurance.** Contractor shall procure and maintain through an insurance company or companies licensed to conduct business in Illinois insurance with coverage and limits as specified below, and shall cause Owner, its board of education, board members individually, administrators, employees, agents, representatives, volunteers, insurers, and attorneys, to be named as additional insureds on these policies by endorsement. Each such policy shall include by endorsement a requirement of at least 30 days written notice to the Owner prior to any termination, cancellation or material amendment to that policy. Upon execution of this agreement and on an annual basis thereafter during the term of this agreement or any extension thereof, Contractor shall furnish to Owner certificate(s) of insurance, policies, and endorsements reflecting the required coverages. 15. **Successors and Assigns.** Contractor shall not assign any rights or delegate or subcontract any duties under this Agreement without the prior written consent of the Owner, and any attempted assignment, delegation or subcontracting without such consent shall be void. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

16. **Controlling Law and Venue.** This Agreement is to be governed by the laws of the State of Illinois, without regard to conflict of law principles. This Agreement may only be amended by a written instrument executed by the Owner and Contractor. In the event of a conflict between this Agreement and the Contract Documents, this Agreement shall control.

18. **Prevailing Party.** In the event of any litigation, arbitration, or binding dispute resolution arising from this contract, the Contractor shall pay the Owner's reasonable attorney's fees and court costs to the extent the Owner is determined to be the prevailing party.
