Kara Reeh
First Grade Teacher
Waskom Elementary School

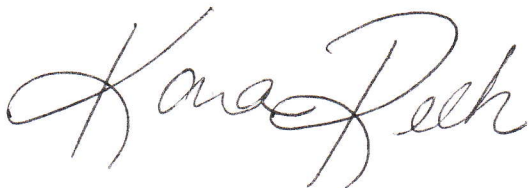

To Whom It May Concern:

While working at Waskom Elementary School, I have been afforded multiple opportunities to grow both as an educator and as a professional. I have enjoyed every minute of my time here. The administration, staff, and fellow teachers offered continuous support and wisdom. However, I will begin my teaching career in Bossier Parish at the start of the 2014-2015 school year. Please accept my official resignation from Waskom Elementary School as a first grade teacher at the conclusion of the 2013-2014 school year. I plan to complete the 2013-2014 school year, clean my classroom thoroughly, and follow the protocol for leaving my position.

My husband and I will be living in Louisiana and that is where we will raise our children. For this reason, it is in my family's best interest for me to be teaching in the same state where my children will attend school due to the drastic differences in school schedules. I will carry the experience and knowledge gained at Waskom Elementary with me into the Bossier Parish school system.

It is with a heavy heart that I leave Waskom Elementary School. I will always treasure the time that I spent here and the opportunities I was given during that time. Waskom Elementary is truly a school that focuses on the students' best interests and strives for excellence in every area. I am grateful to have been a part of such a wonderful team.

Sincerely,
