8th Grade Transition and Employability Skills Planning: Each year at this time, 8th grade students are guided towards thinking and planning for their future. This effort includes a presentation from the UWSP Upward Bound representatives, followed by presentations on employability skills from business leaders. This year Mrs. Huseby was able to line up the following presenters: Brett Wienen from LP, Julie Hess and Jordan Hudalla from PCA, Heather Jones from Charter NEX, P.J. Childers from Tomahawk Community Bank and Dog & Suds, and Shelby Blome from McDonalds Corporate Office in Eau Claire. Following these presentations, Mr. Hernandez will lead a resume writing unit in his ELA classes. These efforts all lead into Freshman Orientation that will be taking place on February 10th.

2nd Quarter Hatchet EDGE Awards: On Friday, January 31 students we held our 2nd quarter EDGE drawings. This quarter we held 5 drawings at each grade level to give away Hydro Flask bottles. The grand prize was a Green Bay Packer football autographed by Mason Crosby. I am proud to report that we grew from 96 grand prize entries at the end of 1st quarter to 263 entries in the grand prize drawing for 2nd quarter.
