

## Summary of AUP changes

- Updated Ipad language to reflect current practices now that iPads are not being sent home.

## Students' Responsibilities

Students must ~~use the iPad responsibly in all classes and store it in the designated charging station. be responsible to bring their iPad, fully charged, to all classes, unless specifically instructed not to do so by their teacher. If your iPad must stay at school, store it in the designated charging station.~~ use the iPad responsibly in all classes and store it in the designated charging station.

## Caring for the iPad

- When students are not using their iPads, they should be stored in ~~their own secured locker their classroom~~ their classroom.
- Nothing should be placed on top of the iPad.

iPads should not be ~~stored in a vehicle or~~ left outside, as they are sensitive to moisture and extreme heat/cold.

Acceptable Use Policy for technology. ~~The iPad insurance policy does not cover intentional damage.~~ Non compliance of these guidelines will result in ~~the student's loss of the use of the iPad outside of school and other~~ disciplinary action as determined by the staff or administration.

## iPad Insurance

~~Schools requires that if the student will be taking the iPad home, the insurance plan be purchased prior to taking the iPad home. The insurance plan cost is \$35.00 annually for each iPad. If a student withdraws from Crosby-Ironton Schools and then re-enrolls later in the current school year, the insurance coverage purchased at the student's initial registration will be reinstated.~~

~~The Crosby-Ironton Schools will require that a police report be submitted in cases of theft. Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by the building's handbook policy.~~

~~The insurance plan will only cover unintentional damage. The insurance plan will not cover the loss of an iPad, charger, case or intentional damage. If an iPad is lost or intentionally damaged, the student to whom it was issued is responsible for the value of the iPad.~~

## ~~Repairing or Replacing Your iPad~~

~~All iPads in need of repair must be brought to the CRES Tech Department as soon as possible.~~

### ~~Estimated Costs (subject to change)~~

~~The following are estimated costs of Chromebook parts and replacements:~~

- ~~● Power cord - \$30.00~~
- ~~● Full Replacement Cost (Chromebook, Charger) - \$290.00~~

- Updated class expectations/unprepared device procedures to be more general now that chromebooks are being used 1:1 in both schools.

### ~~Class Preparedness Expectations/BYOD Discipline Policy~~

- ~~If a student violates does not come to class with their Chromebook charged and ready to use does not come to class with their Chromebook charged and ready to use any part of the Chromebook/BYOD policy, he/she will subject to appropriate consequences determined by the teacher and/or Principal.~~
- ~~1. Unprepared Device 1-3 times: Students will be marked unprepared for class and will be informed of the warning. Students may also lose all or part of any "participation points" for class on that day.~~
- ~~2. Unprepared Device 4th time: After the fourth warning, the same procedures as in #1 will be followed. Teachers will contact parents to let them know that the next time their child's device is not prepared for class, a Behavior Report will be sent to the principal.~~
- ~~3. On the 5th unprepared device warning, teachers will fill out a Behavior Report; the student will have either one hour of morning detention or after-school detention/community service besides the possible loss of points in classroom participation.~~
- ~~4. After the 6th unprepared device warning, teachers will fill out a Behavior Report; the student will have two hours of consequences from the principal in addition to the possible loss of class points.~~
- ~~5. Beyond the 6th unprepared device warning: Building principal will determine the consequence on a case-by-case basis. Students will likely lose classroom points and may be assigned to one day of In-School Suspension (ISS).~~

- Updated Signature page to reflect changes made in policy, specifically exclusion of specific prices and removal of iPad insurance information.

## TECHNOLOGY POLICY & USAGE RECEIPT OF NOTIFICATION AND UNDERSTANDING

The Crosby-Ironton School District Technology Acceptable Use and Device Policy is available on the Crosby-Ironton Schools website at [www.ci.k12.mn.us](http://www.ci.k12.mn.us) and is located under the Technology page.

Your signature on this document states that you have read, understand, and agree to abide by the compliance requirements of the Crosby-Ironton Schools Policy regarding the use of devices and the Internet in the Crosby-Ironton Schools. Your signature also states that you authorize Crosby-Ironton Schools to create and utilize “cloud services” accounts that will be under the control of the Crosby-Ironton Schools, but which reside elsewhere on the Internet. (Certain cloud services require parental permission for students regardless of the level of control over the account granted to Crosby-Ironton Schools.)
