Principal's General Narrative:

Jr. High U.I.L. Literary competition begins Tuesday, December 6 with students who made the cut doing the "In-House Competitions" for Editorial Writing; Ready Writing; Social Studies; Science; Maps, Graphs and Charts; Number Sense, Math, and Dictionary here in Brackett. The remainder of the events that students are competing in will be done in D'Hanis on Friday, December 9.

The PITSCO Lab Modules are being utilized by the Jr. High students in science classes taught by Mrs. Hibbitts and Mrs. Graham. We have the following nine modules which are being used by these fine teachers to enhance students abilities in science: Garbology, Mission to Mars, Simple Machines, Engineering Bridges, Rocketry and Space, Weights and Measures, Body Systems, Creative Problem Solving, and Electricity. A

tenth module, Forensic Math, is currently not being used in Jr. High due to higher level math skills / knowledge needed by students.

The Semester Exam Schedule is provided below.

Early Release 12-21-2011		

* Students who miss an exam MUST make arrangements to make-up exam(s) with their teacher(s).

** All core subjects must give a semester exam.

Teachers have been doing a great deal of work in getting students prepared for U.I.L. Contests, Final Exams, Athletic Competitions, as well as the STAAR and EOC Exams that are coming up. They are all very professional and positive influences on our students, community, and district.

Thank each of you for the time and effort you expend in enabling our teachers to do great things for our students, and in making our BISD a great place for everyone.

Respectfully submitted,

George T. "Stoney" Burks
