

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 17, 2022

AGENDA ITEM: Health I Curriculum

PRESENTER: Scott Kessel

BACKGROUND INFORMATION:

- The State Board of Education (SBOE) issues a proclamation to call for new instructional materials. The proclamation lists the subject areas scheduled for review.
- The SBOE issued *Proclamation 2022* at its April 2020 meeting to call for health and physical education instructional materials. The adoption of materials under *Proclamation 2022* occurred in November 2021.
- Only one publisher, Goodheart-Willcox, was added to the Commissioner's List of Adopted Curriculum. The adopted materials are scheduled to go into classrooms in the 2022–23 school year.
- As part of the adoption process, Aledo ISD uses an advisory committee to help preview materials and make recommendations for board approval. The Aledo ISD School Health Advisory Council (SHAC) served as the Proclamation 2022 Advisory Committee.
- Standards for physical education are covered through activity-based instruction and therefore, no print-based materials are needed. Health standards for grades K-7 are covered through physical education classes.
- Print materials for the high school credit Health I course are needed to provide teachers with updated resources covering the revised health standards.
- Proclamation 2022 Action Plan:
 - Gather feedback from Aledo ISD health teachers and Aledo ISD SHAC after viewing proposed Health I materials April 22- May 2, 2022
 - Display the Goodheart-Willcox Health I curriculum for public comment May 9-13, 2022
 - Review public feedback and make final decision for board consideration
- After careful consideration, the Aledo ISD SHAC supports the adoption of the Goodheart-Willcox Health I Curriculum to be implemented in the 2022-2023 school year.
