# Curriculum Review Process

- Step 1: Needs Assessment, Research, Review
  - Review current curriculum, standards, student growth and achievement data, current research and best practices related to content area; Research current available curriculum resources from various publishers
- Step 2: Pilot
  - Conduct pilot to gather teacher and student feedback; evaluate effectiveness of materials,
- Step 3: Purchase
  - Curate materials and professional learning costs. Complete purchase, organize, inventory, label, and deploy materials to necessary staff.
- Step 4: Implementation
  - Begin instruction and assessment using new resources in classrooms.
- Ongoing (after Step 4): Monitor - Align - Evaluate

Inspire,  
Empower,  
Achieve
