

LORNA BYRNE MIDDLE SCHOOL THE VIKING VOICE

"LEARNING IS REQUIRED"

Notes from the Office

Office Hours: 8:45 - 3:55

Friendly reminder:

High school students are not to walk down to LBMS in order to catch the bus. This goes for IVHS kids as well as KCA students. They must ride the bus from their respective high schools, then if transferring to another bus to go home, make the switch at LBMS. If you have any questions, please call during office hours.

THE BOOK SHELF

LBMS Library News

My Dear Vikings,

It looks like October is already here, and here are some new things happening in your library:

- ◆ Our first crossword puzzle contest, the theme is Halloween. The first student from each grade to turn in a complete puzzle, wins a new book of their choice. You must checkout a book or already have one checked out to participate.
 - ◆ New titles every week, stop by and check the new titles rack next to the book shark.
 - ◆ What's a book shark, you ask? It's our new book return slot at the front counter, guarded by our very own book shark.
- Coming soon: Bookmark design contest, Guess the book in the jar, buttons, and more!

TRICK-OR-TREATING DO'S AND DON'TS

- BE POLITE: Say "Thank You" after receiving candy. Let the little kids have the right-of-way up walkways and sidewalks
 - BE RESPECTFUL: Don't cut across lawns or other landscaping. Don't leave candy wrappers or other trash on the ground. DO: Compliment neighbors on their decorations
- IF YOU ARE GIVING OUT CANDY:
- Offer allergen free treats, or sugar free for those that can't have it.
 - If you're out of candy, turn off your porch light and turn down the TV. If you trick-or-treat and see a house like this, leave them alone, they may be asleep!
