Informal Procurement Method-Micro Purchases

Non-Federal entities may establish a threshold higher than the micro-purchase threshold in accordance with OMB guidance § 200.334. Centennial ISD12 self certifies the micro-purchase threshold to align to Minnesota Uniform Municipal Contracting Law statutes 471.345, subd. 5. We are qualified as a low-risk auditee and this higher threshold is consistent with State law.

Designation of Identified Official with Authority for the MDE External User Access Recertification System

The Minnesota Department of Education (MDE) requires that school districts annually designate an Identified Official with Authority to comply with the MNIT Enterprise Identity and Access Management Standard which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The Identified Official with Authority will assign job duties and authorize external user's access to MDE secure systems for their local education agency (LEA). The Board recommends to authorize Jeff Holmberg to act as the Identified Official with Authority (IOwA) and Jody Josephson to act as the IOwA to add and remove names only for Centennial Public School District 0012-01.

Election Clerk

Annually the School Board needs to approve the election clerk for the upcoming year. The Superintendent of Schools recommends the School Board authorize Jody Josephson to act as the official election clerk and Marsha Eichinger as the assistant election clerk for all school board elections in 2026.

Official Newspaper

Minnesota Statute 123.33, Subd. 11 states: "The board shall cause its official proceedings to be published once in the official newspaper of the district. Such publication shall be made within 30 days of the meeting at which such proceedings occurred." In past years, legal notices and minutes have been published in the Quad Press, (which under M.S. 31.02 qualifies as the district's official newspaper because it is published within the district). In addition, the full minutes are available on the district's website www.isd12.org. The Quad Press has submitted a request to be designated as Centennial School District's official newspaper for 2026.

The Superintendent of Schools recommends the School Board approve the continuation of the Quad Press as the legal publication for the school district for 2026.
