**2010 -2011 Student Code of Conduct**

According to Chapter 37 of the Texas Education Code, the Board of Trustees is required to adopt a Student Code of Conduct designed to promote a safe, secure and optimal learning environment for all students. As such, the CISD 2010-2011 Student Code of Conduct is submitted for your approval.

The 2010-2011 Student Code of Conduct was thoroughly reviewed by a committee of district administrators from elementary and secondary campuses. The committee met five times to review the document and to discuss needed changes. A final draft of the 2010-2011 Student Code of Conduct was sent to Joe Tanguma for legal input (see attached email from Joe Tanguma).
