

PILOT PROGRAMS

Pilot programs may be modifications to the current curriculum and/or changes in how the curriculum is delivered. The Superintendent shall create procedures for developing, implementing, and evaluating pilot programs. Pilot programs shall be reported to the Board. Pilot programs that have major instructional impact or that require the expenditure of more than \$20,000 shall require Board approval.

(cf. 6141 - Curriculum Development and Evaluation)

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)
