

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 20, 2017

AGENDA ITEM: Remote Instruction Waiver

PRESENTER: Denise Dugger, Exec. Director Professional Development/Accountability

ALIGNS TO BOARD GOAL(S): Learning ~ District will provide an aligned, rigorous curriculum, with instructional / technology programs preparing students to meet / exceed all educational standards.

Background Information: Currently two students under physician's care, with long-term significant medical issues are physically unable to attend school every day. On days they cannot physically attend, they are attending remotely through the use of a robot. Remote attendance through use of a robot with audio/visual capabilities allows the students to receive high quality instruction in all classes (including AP classes). With the waiver, when approved by TEA, students will be counted present for classes when attending via remote (robot) instruction.

Administrative Considerations:

Administration recommends approval of remote instruction waiver.

FISCAL NOTE:

None

Administrative Recommendation:

Administration recommends approval as presented.
