- Hispanic or Latino
- Other Races

## Other Demographics

- 74% Free and Reduced Lunch
- 11% Special Education
- Community Eligibility Provision

## **Growth Areas**

### 2016-17: Grade of B (71.33)

Unique student body looking for something different.

#### 2017-18: Grade of D- (52.23)

- The demographics shifted considerably including increase in ALE students.
- Growing pains related to expansion of students as well as hiring of new staff.

### 2018-19: Grade of D+ (60.23)

- Year of course correction focusing on PLCs and RTI
- Our letter grade does not include the graduation rate of our inaugural class, which was 91%.
- Grade is based heavily on how the 10th grade class scores on the ACT Aspire.
