Mission Statement

Southwest Texas **Junior** College enriches lives and advances growth through the education of our diverse communities

Beliefs and Ways of Being

We aspire to achieve **excellence** by purposefully:

- committing to success
- inspiring trust, transparency, professionalism and accountability
- engaging all with empathy and care

We embrace **inclusivity** by:

- valuing every individual as unique and whole
- fostering a culture of acceptance
- respecting diversity of thought

We champion **opportunities** for:

- life-long learning
- professional, personal, and community growth
- institutional innovation
