

The Pupil Fair Dismissal Act

121A.40 Citation

Minnesota Statutes Sections 121A.40 to 121A.56 may be cited as “The Pupil Fair Dismissal Act.”

121A.41 Definitions

Subdivision 1. **Applicability.** As used in sections 121A.40 to 121A.56, the terms defined in this section shall have the meanings assigned them.

Subd. 2. **Dismissal.** “Dismissal” means the denial of the current educational program to any pupil, including exclusion, expulsion, and suspension. It does not include removal from class.

Subd. 3. **District.** “District” means any school district.

Subd. 4. **Exclusion.** “Exclusion” means an action taken by the school board to prevent enrollment or reenrollment of a pupil for a period that shall not extend beyond the school year.

Subd. 5. **Expulsion.** “Expulsion” means a school board action to prohibit an enrolled pupil from further attendance for up to 12 months from the date the pupil is expelled.

Subd. 6. **Parent.** “Parent” means (a) one of the pupil’s parents, (b) in the case of divorce or legal separation, the parent or parents with physical custody of the pupil, including a noncustodial parent with legal custody who has provided the district with a current address and telephone number, or (c) a legally appointed guardian. In the case of a pupil with a disability under the age of 18, parent may include a district-appointed surrogate parent.

Subd. 7. **Pupil.** “Pupil” means any student:

(1) without a disability under 21 years of age; or

(2) with a disability under 21 years old who has not received a regular high school diploma or for a child with a disability who becomes 21 years old during the school year but has not received a regular high school diploma, until the end of that school year; and

(3) who remains eligible to attend a public elementary or secondary school.

Subd. 8. **School.** “School” means any school defined in section 120A.05, subdivisions 9, 11, 13, and 17.

Subd. 9. **School board.** “School board” means the governing body of any school district.

Subd. 10. **Suspension.** “Suspension” means an action by the school administration, under rules promulgated by the school board, prohibiting a pupil from attending school for a period of no more than ten school days. If a suspension is longer than five days, the suspending administrator must provide the superintendent with a reason for the longer suspension. This definition does not apply to dismissal from school for one school day or less, except as provided in federal law for a student with a disability. Each suspension action may include a readmission plan. The readmission plan shall include, where appropriate, a provision for implementing alternative educational services upon readmission and may not be used to extend the current suspension. Consistent with section 125A.091, subdivision 5, the readmission plan must not obligate a parent to provide a sympathomimetic medication for the parent’s child as a condition of readmission. The school administration may not impose consecutive suspensions against the same pupil for the same course of conduct, or incident of misconduct, except where the pupil will create an immediate and substantial danger to self or to surrounding persons or property, or where the district is in the process of initiating an expulsion, in which case the school administration may extend the suspension to a total of 15 school days.

Subd. 11. **Alternative educational services.** “Alternative educational services” may include, but are not limited to, special tutoring, modified curriculum, modified instruction, other modifications or adaptations, instruction through electronic media, special education services as indicated by appropriate assessment, homebound instruction, supervised homework, or enrollment in another district or in an alternative learning center under section 123A.05 selected to allow the pupil to progress toward meeting graduation standards under section 120B.02 although in a different setting.

121A.42 Policy

No public school shall deny due process or equal protection of the law to any public school pupil involved in a dismissal proceeding which may result in suspension, exclusion, or expulsion.

121A.43 Exclusion and expulsion of pupils with a disability

(a) Consistent with federal law governing days of removal and section 121A.46, school personnel may suspend a child with a disability. When a child with a disability has been suspended for more than five consecutive school days or 10 cumulative school days in the same school year, and that suspension does not involve a recommendation for expulsion or exclusion or other change of placement under federal law, relevant members of the child's individualized education program team, including at least one of the child's teachers, shall meet and determine the extent to which the child needs services in order to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the child's individualized education program. That meeting must occur as soon as possible, but no more than 10 days after the sixth consecutive day of suspension or the tenth cumulative day of suspension has elapsed.

(b) A dismissal for one school day or less is a day or a partial day of suspension if the child with the disability does not receive regular or special education instruction during that dismissal period. The notice requirements under section 121A.46 do not apply to a dismissal of one day or less.

(c) A child with a disability shall be provided alternative educational services to the extent a suspension exceeds five consecutive school days.

(d) Before initiating an expulsion or exclusion under sections 121A.40 to 121A.56, the district, relevant members of the child's individualized education program team, and the child's parent shall, consistent with federal law, determine whether the child's behavior was caused by or had a direct and substantial relationship to the child's disability and whether the child's conduct was a direct result of a failure to implement the child's individualized education program. When a child with a disability who has an individualized education program is excluded or expelled under sections 121A.40 to 121A.56 for misbehavior that is not a manifestation of the child's disability, the district shall continue to provide special education and related services during the expulsion or exclusion.

121A.44 Expulsion for possession of firearm

(a) Notwithstanding the time limitation in section 121A.41, subdivision 5, a school board must expel for a period of at least one year a pupil who is determined to have brought a firearm to school except the board may modify this expulsion requirement for a pupil on a case-by-case basis. For the purposes of this section, firearm is as defined in United States Code, title 18, section 921.

(b) Notwithstanding chapter 13, a student's expulsion or withdrawal or transfer from a school after an expulsion action is initiated against the student for a weapons violation under paragraph (a) may be disclosed by the school district initiating the expulsion proceeding. Unless the information is otherwise public, the disclosure may be made only to another school district in connection with the possible admission of the student to the other district.

121A.45 Grounds for dismissal

Subdivision 1. **Provision of alternative programs.** No school shall dismiss any pupil without attempting to provide alternative educational services before dismissal proceedings, except where it appears that the pupil will create an immediate and substantial danger to self or to surrounding persons or property.

Subd. 2. **Grounds for Dismissal.** A pupil may be dismissed on any of the following grounds:

(a) willful violation of any reasonable school board regulation. Such regulation must be clear and definite to provide notice to pupils that they must conform their conduct to its requirements;

(b) willful conduct that significantly disrupts the rights of others to an education, or the ability of school personnel to perform their duties, or school sponsored extracurricular activities; or

(c) willful conduct that endangers the pupil or other pupils, or surrounding persons, including school district employees, or property of the school.

Subd. 3. **Parent Notification and Meeting.** If a pupil's total days of removal from school exceeds 10 cumulative days in a school year, the school district shall make reasonable attempts to convene a meeting with the pupil and the pupil's parent or guardian prior to subsequently removing the pupil from school, and with the permission of the parent or guardian, arrange for a mental health screening for the pupil. The district is not required to pay for the mental health screening. The purpose of this meeting is to attempt to determine the pupil's need for assessment or other services or whether the parent or guardian should have the pupil assessed or diagnosed to determine whether the pupil needs treatment for a mental health disorder.

121A.46 Suspension procedures

Subdivision 1. **Informal administrative conference before suspension.** The school administration shall not suspend a pupil from school without an informal administrative conference with the pupil. The informal administrative conference shall take place before the suspension, except where it appears that the pupil will create an immediate and substantial danger to self or to surrounding persons or property, in which case the conference shall take place as soon as practicable following the suspension.

Subd. 2. **Administrator notifies pupil of grounds for suspension.** At the informal administrative conference, a school administrator shall notify the pupil of the grounds for the suspension, provide an explanation of the evidence the authorities have, and the pupil may present the pupil's version of the facts.

Subd. 3. **Written notice of grounds for suspension.** A written notice containing the grounds for suspension, a brief statement of the facts, a description of the testimony, a readmission plan, and a copy of sections 121A.40 to 121A.56, shall be personally served upon the pupil at or before the time the suspension is to take effect, and upon the pupil's parent or guardian by mail within 48 hours of the conference. The district shall make reasonable efforts to notify the parents of the suspension by telephone as soon as possible following suspension. In the event a pupil is suspended without an informal administrative conference on the grounds that the pupil will create an immediate and substantial danger to surrounding persons or property, the written notice shall be served upon the pupil and the pupil's parent or guardian within 48 hours of the suspension. Service by mail is complete upon mailing.

Subd. 4. **Suspension pending expulsion or exclusion.** Notwithstanding the provisions of subdivisions 1 and 3, the pupil may be suspended pending the school board's decision in the expulsion or exclusion hearing; provided that alternative educational services are implemented to the extent that suspension exceeds five days.

121A.47 Exclusion and expulsion procedures

Subdivision 1. **Requiring a hearing; pupil may waive hearing.** No exclusion or expulsion shall be imposed without a hearing, unless the right to a hearing is waived in writing by the pupil and parent or guardian. The action shall be initiated by the school board or its agent.

Subd. 2. **Written notice.** Written notice of intent to take action shall:

- (a) be served upon the pupil and the pupil's parent or guardian personally or by mail;
 - (b) contain a complete statement of the facts, a list of the witnesses and a description of their testimony;
 - (c) state the date, time, and place of the hearing;
 - (d) be accompanied by a copy of sections 121A.40 to 121A.56;
 - (e) describe alternative educational services accorded the pupil in an attempt to avoid the expulsion proceedings; and
 - (f) inform the pupil and parent or guardian of the right to:
 - (1) have a representative of the pupil's own choosing, including legal counsel, at the hearing.
- The district shall advise the pupil's parent or guardian that free or low-cost legal assistance may be available and that a legal assistance resource list is available from the department of education;¹

¹ The list may be found electronically at <http://education.state.mn.us>.

- (2) examine the pupil's records before the hearing;
- (3) present evidence; and
- (1) confront and cross-examine witnesses.

Subd. 3. **Hearing schedule.** The hearing shall be scheduled within ten days of the service of the written notice unless an extension, not to exceed five days, is requested for good cause by the school board, pupil, parent or guardian.

Subd. 4. **Convenient time and place of hearing.** The hearing shall be at a time and place reasonably convenient to pupil, parent or guardian.

Subd. 5. **Closed or open hearing.** The hearing shall be closed unless the pupil, parent or guardian requests an open hearing.

Subd. 6. **Impartial hearer.** The hearing shall take place before:

- (1) an independent hearing officer;
- (2) a member of the school board;
- (3) a committee of the school board; or
- (4) the full school board;

as determined by the school board. The hearing shall be conducted in a fair and impartial manner.

Subd. 7. **Creating hearing record.** The school board shall record the hearing proceedings at district expense, and a party may obtain a transcript at its own expense. Testimony shall be given under oath. The hearing officer or a member of the school board shall have the power to issue subpoenas and administer oaths.

Subd. 8. **Access to pupil's records.** At a reasonable time prior to the hearing, the pupil, parent or guardian, or representative, shall be given access to all public school system records pertaining to the pupil, including any tests or reports upon which the proposed action may be based.

Subd. 9. **Pupil's right to compel testimony.** The pupil, parent or guardian, or representative, shall have the right to compel the attendance of any official employee or agent of the public school system or any public employee or any other person who may have evidence upon which the proposed action may be based, and to confront and to cross-examine any witness testifying for the public school system.

Subd. 10. **Pupil's right to present evidence and testimony.** The pupil, parent or guardian, or representative, shall have the right to present evidence and testimony, including expert psychological or educational testimony.

Subd. 11. **Pupil not compelled to testify.** The pupil cannot be compelled to testify in the dismissal proceedings.

Subd. 12. **Hearer's recommendation limited to evidence at hearing; service within two days.** The recommendation of the hearing officer or school board member or committee shall be based solely upon substantial evidence presented at the hearing and must be made to the school board and served upon the parties within two days of the end of the hearing.

Subd. 13. **Basis of school board decision; opportunity for comment.** The school board shall base its decision upon the recommendation of the hearing officer or school board member or committee and shall render its decision at a meeting held within five days after receiving the recommendation. The school board may provide the parties with the opportunity to present exceptions and comments to the hearing officer's recommendations provided that neither party presents any evidence not admitted at the hearing. The decision by the school board must be based on the record, must be in writing, and must state the controlling facts on which the decision is made in sufficient detail to apprise the parties and the commissioner of education of the basis and reason for the decision.

Subd. 14. **Admission or readmission plan.**

(a) A school administrator shall prepare and enforce an admission or readmission plan for any pupil who is excluded or expelled from school. The plan may include measures to improve the pupil's behavior, including completing a character education program, consistent with section 120B.225, Sub. 1, and require parental involvement in the admission or readmission process, and may indicate the consequences to the pupil of not improving the pupil's behavior.

(b) The definition of suspension under Minnesota Statute Section 121A.41, subdivision 10, does not apply to a student's dismissal from school for one school day or less, except as provided

under federal law for a student with a disability. Each suspension action may include a readmission plan. A readmission plan must provide, where appropriate, alternative educational services, which must not be used to extend the student's current suspension period. Consistent with Minnesota Statute Section 125A.091, subdivision 5, a readmission plan must not obligate a parent or guardian to provide psychotropic drugs to their student as a condition of the administration of a psychotropic drug or to consent to a psychiatric evaluation, screening, or examination of the student as a ground, by itself, to prohibit the student from attending class or participating in a school-related activity, or as a basis of a charge of child abuse, child neglect or medical or education neglect.

121A.48 Good faith exception

A violation of the technical provisions of the Pupil Fair Dismissal Act, made in good faith, is not a defense to a disciplinary procedure under the act unless the pupil can demonstrate actual prejudice as a result of the violation.

121A.49 Appeal

A party to an exclusion or expulsion decision made under sections 121A.40 to 121A.56 may appeal the decision to the commissioner of education within 21 calendar days of school board action. Upon being served with a notice of appeal, the district shall provide the commissioner and the parent or guardian with a complete copy of the hearing record within five days of its receipt of the notice of appeal. All written submissions by the appellant must be submitted and served on the respondent within ten days of its actual receipt of the transcript. All written submissions by the respondent must be submitted and served on the appellant within ten days of its actual receipt of the written submissions of the appellant. The decision of the school board must be implemented during the appeal to the commissioner.

In an appeal under this section, the commissioner may affirm the decision of the agency, may remand the decision for additional findings, or may reverse or modify the decision if the substantial rights of the petitioners have been prejudiced because the administrative findings, inferences, conclusions, or decisions are:

- (1) in violation of constitutional provisions;
- (2) in excess of the statutory authority or jurisdiction of the school district;
- (3) made upon unlawful procedure, except as provided in section 121A.48;
- (4) affected by other error of law;
- (5) unsupported by substantial evidence in view of the entire record submitted; or
- (6) arbitrary or capricious.

The commissioner or the commissioner's representative shall make a final decision based upon the record. The commissioner shall issue a decision within 30 calendar days of receiving the entire record and the parties' written submission on appeal. The commissioner's decision shall be final and binding upon the parties after the time for appeal expires under section 121A.50.

121A.50 Judicial review

The decision of the commissioner of education made under sections 121A.40 to 121A.56 is subject to judicial review under sections 14.63 to 14.69. The decision of the commissioner is stayed pending an appeal under this section.

121A.51 Reports to service agency

The school board shall report any action taken pursuant to sections 121A.40 to 121A.56 to the appropriate public service agency, when the pupil is under the supervision of such agency.

121A.52 Nonapplication of compulsory attendance law

The provisions of section 120A.22, subdivision 5, shall not apply to any pupil during a dismissal pursuant to sections 121A.40 to 121A.56.

121A.53 Report to the commissioner of education

Subdivision 1. **Exclusions and expulsions.** The school board must report through the department electronic reporting system each exclusion or expulsion within 30 days of the

effective date of the action to the commissioner of education. This report must include a statement of alternative educational services given the pupil and the reason for, the effective date, and the duration of the exclusion or expulsion. The report must also include the student's age, grade, gender, race and special education status.

Subd. 2. **Report.** The school board must include state student identification numbers of affected pupils on all dismissal reports required by the department. The department must report annually to the commissioner summary data on the number of dismissals by age, grade, gender, race, and special education status of the affected pupils. All dismissal reports must be submitted through the department electronic reporting system.

121A.54 Notice of right to be reinstated

Whenever a pupil fails to return to school within ten school days of the termination of dismissal, a school administrator shall inform the pupil and the pupil's parents by mail of the pupil's right to attend and to be reinstated in the public school.

121A.55 Policies to be established

(a) The commissioner of education shall promulgate guidelines to assist each school board. Each school board shall establish uniform criteria for dismissal and adopt written policies and rules to effectuate the purposes of sections 121A.40 to 121A.56. The policies shall emphasize preventing dismissals through early detection of problems and shall be designed to address students' inappropriate behavior from recurring. The policies shall recognize the continuing responsibility of the school for the education of the pupil during the dismissal period. The alternative educational services, if the pupil wishes to take advantage of them, must be adequate to allow the pupil to make progress towards meeting the graduation standards adopted under section 120B.02 and help prepare the pupil for readmission.

(b) An area learning center under section 123A.05 may not prohibit an expelled or excluded pupil from enrolling solely because a district expelled or excluded the pupil. The board of the area learning center may use the provisions of the Pupil Fair Dismissal Act to exclude a pupil or to require an admission plan.

(c) Each school district shall develop a policy and report it to the commissioner on the appropriate use of peace officers and crisis teams to remove students who have individualized education plans from school grounds.

121A.56 Application

Subdivision 1. **Prohibition against discrimination remains in effect.** Sections 121A.40 to 121A.56 shall not be deemed to amend or otherwise affect or change section 363.03, subdivision 5, clause (2).

Subd. 2. **Portions of school program for credit.** Sections 121A.40 to 121A.56 shall apply only to those portions of the school program for which credit is granted.
