

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 5/21/2012

Agenda #

Staff/Administrator: Debbie Breckner

Superintendent: Dan Huber-Kantola

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I am proposing an increase of breakfast and lunch meal prices at the elementary, middle and high school levels in order to meet the requirements of the attached USDA regulation. Attached are the current prices throughout the state. Also attached is a new regulation from the USDA which requires the District to charge the same amount for a "paid" meal as it receives for a "free or reduced" meal. Proposed prices next year are \$1.10 for elementary breakfast, \$2.10 for elementary lunch, \$1.15 for middle school breakfast, \$2.40 for middle school lunch and \$1.25 for high school breakfast, \$2.65 for high school lunch.

Provide history/background information on your proposal.

This is a requirement of the Equity Pricing Regulation that was part of the USDA's reauthorization of the National School Lunch Program. This regulation requires that money collected from a paid student plus reimbursement revenue from USDA equal, on the average, the reimbursement for a free student.

List the advantages of your proposal:

Increased revenue for Three Rivers School District Nutrition Service Program. Common meal pricing at all school districts operating the National School Lunch Program.

List possible disadvantages of your proposal:

The District would not be on compliance with USDA regulation which could potentially affect reimbursement.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

None.

Superintendent's recommendation(s):

Approve: Yes No
