Dear Sir or Madam:

It is the intent of the Coppel Independent School District, a Chapter 41 district, to exercise Option 3 to achieve the required equalized wealth level for 2011-2012. The District will not be charging tuition for non-resident students.

Coppel ISD anticipates receiving full benefit of the "efficiency credit" and/or "early payment credit" available to Chapter 41 school districts choosing Option 3, and will proceed with setting a tax rate for 2011-2012. Any other required remittances will follow in a timely manner.

Sincerely,

Jeff N. Turner, Ed.D.
Superintendent
Coppel Independent School District
