Agenda Item Title: Frontline ELL/LPAC – eStar

From/Presenters: Dr. Jennifer Gutierrez, Deputy Superintendent

Description: Frontline ELL/LPAC – eStar is a streamlined platform that helps South San ISD manage Emergent Bilingual (EB) services and Language Proficiency Assessment Committee (LPAC) processes with greater accuracy, efficiency, and compliance. It automates documentation, tracks deadlines, and ensures alignment with TEA and federal requirements, reducing administrative burden on staff. It also supports ongoing compliance at both the campus and district levels. With centralized, paperless workflows, real-time student data, and integrated assessment tracking (TELPAS, STAAR), eStar supports faster, data-driven decisions for EB instruction. The system also improves communication with parents through translated forms and simplifies collaboration across campuses. By saving time and reducing compliance risk, eStar enables educators to focus on what matters most—supporting the success of every EB student in South San ISD.

Historical Data: South San Antonio ISD has utilized Frontline-ELL/LPAC as the district's central platform for managing EB services and Language Proficiency Assessment Committees helping ensure compliance and improve workflow efficiency across campuses. Frontline has been utilized in South San ISD for the last 8 years.

Recommendation: Approve the purchase of Frontline-ELL/LPAC services for the 2025–2026 academic year to continue supporting documentation and compliance needs for our Emergent Bilingual programs.
