**Re:** Board Report

---

This will be the last week of our 7<sup>th</sup> and 8<sup>th</sup> grade girls' basketball season, as well as our wrestling season. Our 7th grade girls lost a close game by one point in the first round, while the 8th grade stormed to a victory and will move on to the second round and face number one seed Fruitland. Saturday our wrestling team will look to repeat as the SRV Middle School Champions.

We look forward to a great boys' basketball season in the 7th and 8th grade starting in January.
