Organization of Instruction

The School District has instructional levels for grades Pre-K through 12. The Superintendent shall annually present to the Board a plan for organizing instructional levels and assigning them to school facilities:

The grouping and housing of instructional levels in school facilities shall be according to plans developed by the Superintendent and approved by the School Board.

Students, for instructional purposes, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

Kindergarten

The District maintains a full-day and half-day kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of the State law.
