

**DUPAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois**

Regular Meeting April 28, 2025

FOR DISCUSSION

Subject: Building Projects

At the meeting, I will provide an update on the work of DLA Architects and Bulley and Andrews since last month. The projected scheduled for the projects that was attached for your review at the last meeting has been re-attached to provide perspective on the projects. Please note that due to the quick turnaround time for the next regular meeting (May 19), both firms will make their next presentation to the Board of Education at the June 23rd regular meeting.

Mr. Rosales will also be present to answer questions on the work accomplished over spring break at all three buildings as well as to address new summer projects that will take the place of those items slated for this summer but will be funded through life safety funds. I have attached information describing this work in the packet for your review.
