

Superintendent Report February 2026

- I would like to thank all of our custodians and event workers for their efforts during the winter sports season. We host a lot of events and it could not be done without their hard work.
- I would like to thank all of those people involved with Coaches vs. Cancer. It is a great event and raises money for a worthy cause.
- Conferences will be on February 23 and February 26.
- I want to thank our calendar committee members for their time in developing the calendar.
- State testing will be starting soon in March. The ACT, PreACT Secure, Forward, and DLM are tests given in Wisconsin.
- Referendum update: Phase 1 items are wrapping up and we are continuing to plan phase 2 projects along with other identified needs.
