Congratulations to all of these students and thanks for being examples of good behavior in action!!

We will be celebrating the Respect winners at an assembly on January 27<sup>th</sup>. Respect means treating others like you would want to be treated. Showing respect means you act with thoughtfulness towards yourself and others, you are courteous and polite, you do not interrupt others when they are talking, and you listen carefully. Respectful people use an appropriate

tone of voice and appropriate facial expressions. Respectful people also value other people's opinion and accept people the way they are.... Even when they are different from you.

When we returned to school in January, we began with classroom "bootcamps" to help remind students of expected behaviors in the various settings around the school. Teachers each did a classroom review of their Social Contracts. Reminders of these expectations are done periodically, and are good reminders to help students make positive choices.

During the week of January 9<sup>th</sup>, we did our Winter MAP testing. Students and staff were patient and worked very hard to do their best on this testing. We are very proud of how our students have grasped the testing format and taken their roles very seriously.

Upcoming excitement:

- 100 Days of Learning and fun along with our monthly character assembly will be on Friday January 27<sup>th</sup>. We will be celebrating Kindness and Respectfulness.
- Keep on checking out all our fun on the news feed!
- The 5 essentials survey opens Monday January 23<sup>rd</sup>.
