

FOR ACTION

Flint Board of Education
Regular Board Meeting, March 25, 2020
Volume 146

11.14 AUTHORIZATION TO PERFORM ABATEMENT

<u>COMPANY NAME</u>	<u>AMOUNT</u>
ARCH ENVIRONMENTAL GROUP (FARMINGTON HILLS, MI) (CONSULTING SERVICES)	\$1,450.00
ENVIRONMENTAL MAINTENANCE ENGINEERS, INC (INKSTER, MI) (ABATEMENT/PATCH & REPAIR)	\$4,600.00
TOTAL:	\$6,050.00

Arch Environmental Group (AEG) performed an assessment of the boiler room at Flint Junior High School. The State of Michigan Accredited Asbestos Inspector who assessed the area identified damaged materials and summarized his findings in a report to the District. AEG recommends that each of the damaged materials be addressed through removal of debris, clean-up and patch & repair work. The estimated budget costs are inclusive of all expected costs, including the abatement contractor (Environmental Maintenance Engineers, Inc.) and associated consulting activities conducted by AEG. Funds are made available from the Sinking Fund.

On the basis of the preceding information, the following resolution is proposed.

Be it Resolved, That

The Flint Board of Education

Authorizes the Superintendent, on behalf of Flint Community Schools, to execute the agreement in substantially the same form as attached with Arch Environmental Group (AEG) to perform abatement at Flint Junior High School for a fee not to exceed Six Thousand Fifty Dollars (\$6,050.00) from the Sinking Fund.

I hereby certify that this is a true copy of the Resolution acted upon and adopted by the Board of Education of the School District of the City of Flint at its Regular meeting held on the 25th day of March 2020, and that said resolution is in full force and effect as of the date hereof.

Betty Ramsdell, Secretary
Flint Board of Education
