

A. Region One ESC Priority One Talent Acquisition–

The most important asset of any organization are its employees. For Region One ESC attracting, recruiting, hiring, retaining, developing, promoting and evaluating the best employees is Priority One for our organization. We have created a team of education specialists that has analyzed all the aspects of Human Capital Management in Region One ESC. One of the most important aspects of Human Capital Management is Talent Acquisition. I have invited Mr. Joel Garcia, a leader in the Talent Acquisition team to come before our Board of Directors to provide the board with a summary update of all the work that was developed by the Talent Acquisition team during school year 2016-2017 that we will begin to implement during school year 2017-2018. I am very proud of the work done by this team, and I want our Board to be aware and to appreciate everything this team has done for Region One ESC. (Dr. Cornelio Gonzalez / Joel Garcia)
