RE: Summer Learning Opportunities Personnel Recommendations - JUNE BOARD MEETING.

DATES: August 4-8 (Jumpstart ES and MS) / July 21- Aug 7 (HS & EC)

Summer Learning Opportunities will be provided for students of all grades who demonstrate need:

- Extended School Year (ESY) programming will be offered for special education students from Early Childhood through Transition programming who are eligible for this level of service per their IEP. Students will participate in specific learning activities that are aligned with their individual IEP goals.
- Specific, credit recovery opportunities will be offered at the high school.
- Elementary and Middle School Jumpstart opportunities will be offered to identified students, focusing on a refresh of reading and math skills, as well as targeted executive functioning support to start the year off strong.
