What is the mission of the non-profit/community organization?

To demonstrate loving acts of kindness and to share a msg of compassion and hope to the underserved communities. We believe if we bring into and opportunity to them, we will all benefit from the knowledge gained

What service(s) does the non-profit/community organization provide?

After-school tutoring program, Summer Activity program/ childcare, community feeding events, veteran pick up/drop off location, health insurance enrollment, community giveaways, partner w/ UAMS + City of Camden on Re-entry programs

Please describe the volunteer activities students will participate in at the non-profit/community organization and how those activities may connect to curriculum learning goals. (See the Act 648 Implementation Guide.)

Student teachers in Summer program classrooms we have children ages pre-K to 7th grade, so they will help them with daily curriculum, tutor them or monitor them during field trips or outside activities. We would also have them help serve during our feeding or give away events. Perfect opportunities for those entering the education field or those that need volunteer hrs for college apps

What are the procedures and policies in place to ensure the safety of student volunteers?

background checks are completed on all staff + volunteers before working with our children. Our staff works in partnership roles so we have 2 adults teamed together minimum at all times.

List any special considerations of the non-profit/community organization.

We are a faith based organization. We don't force religion, but we do have prayer to start each day, and before meals.
