AFTERSCHOOL PROGRAMS-21st Century Grant

Williams Elementary School is a part of the 21st Century Grant which provides an afterschool academic and enrichment program. Our winter session of the Afterschool Program began on February 6, and will end March 15, 2012. After a one hour academic and homework enrichment class student are enrolled in a variety of activities that range from cooking, crafts, sports, and computers. The afterschool program has an average enrollment of 45 students

MUSIC PROGRAM

The strings program is in full swing. Students in Mr. Warren Whistler's class continue to excel in the art of violin, guitar, and mandolin. They continue to practice daily at home and at school in order to prepare for our annual Strings in the Spring Concert which will be held on May 24, 2012. Mr. Whistler's advanced band class was recently featured on KTVL's News 10's Cool School Contest.

PBIS/BEHAVIOR

Williams Elementary continues to use school wide PBIS throughout the school day. Continuing with our Pioneer Pride Program, students earn Pioneer Pride tickets for displaying good use of being safe, respectable, and responsible throughout the day. Classrooms will have individual PBIS celebrations throughout the year and each month students are rewarded and recognized for their good behavior. We have also continued with our annual PBIS attendance Dutch dollar program. Each month all students who have perfect attendance get to attend a monthly fun activity. We are working on improving our behavior and discipline policy and process to help hold students more accountable and to improve our overall consistency.
