Re: High School Principal Report April 2023

Greetings from HHS!

The Spring weather seems to still be trying to arrive yet the spring schedules are still moving forward! The High School's big assessment window is upon us as we have both the SAT and ISAT's (Math, English, and Science) during the month of April and early May.

We are grateful for the opportunities that many of our students have been able to be a part of this past month as well as the coming month. Whether it be college campus visits, college/career fairs, or student conferences, we are happy to know that our students have the opportunity to explore all of their interests and opportunities. Please see the attached March/April newsletter regarding these events.

Our PBIS theme for April is Positive attitude. As Jon Gordon says, "Positive energy and Positive people create Positive results." We are looking for positive results as we attack the fourth quarter at HHS.

Matt Holtry

Current Enrollment-

Freshman- 118
