Vice President of Advancement

AGENDA ITEM: Consideration of Approval of Facility Naming in Connection with a Major Gift

DISCUSSION: In 2007, the Board of Trustees created Policy CLA (Local), which paved the way for a philanthropic naming opportunity program with assistance from the Collin College Foundation. The policy states that the Board has authority to name facilities to “honor a person who has made an exceptional contribution to the College District” or to “honor a substantial benefactor of the College District.” This program has been very attractive to major gift donors, and a major gift is presented for formal approval by the Board.

CORE Construction Services of Texas, Inc. has pledged \$75,000 for a five-year, renewable sponsorship of the Construction Build Lab at the Technical Campus. This major gift will benefit students through endowed scholarships and the Construction Management Excellence Fund.

DISTRICT PRESIDENT’S RECOMMENDATION: The District President recommends a CORE Construction Services of Texas, Inc. naming sponsorship for the Construction Build Lab at the Technical Campus according to Board Policy CLA (Local) and the criteria listed above.

SUGGESTED MOTION: “Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves a CORE Construction Services of Texas, Inc. naming sponsorship for the Construction Build Lab at the Technical Campus.”
