

Waskom ISD Education Foundation

February 10, 2014

Good Evening, My name is Terry Slone. The Waskom ISD Education Foundation is a non-profit organization that has been organized to acquire funding for classroom teacher grants that give all WISD teachers the opportunity to apply for this additional funding. The grants allow teachers to purchase and use equipment and supplies and take field trips that would not normally be included in the regular operation budget of a school district. As President of the Waskom ISD Education Foundation I am here tonight to present a check to the Waskom Independent School District in the amount of \$13,350.00 to fund four classroom teacher grants. The four teacher grants were submitted to the Board of Directors of the Waskom ISD Education Foundation and approved for funding at the following amounts. Each grant was funded at a 70% rate.

High School	Liz Johnson	\$1,828.00	Culinary Arts equipment and supplies
-------------	-------------	------------	--------------------------------------

High School	Zach Davis	\$4,200.00	Technology-Chromebooks
-------------	------------	------------	------------------------

Middle School	Science Department	\$5,600.00	Field Trip-NASA Space Center
---------------	--------------------	------------	------------------------------

(Angela Peyton, Patience ChaCha, Neosha Beach, and Ernestine Johnson)

Middle School	Jerlonda Snowden	\$1,722.00	Reading-Kindles
---------------	------------------	------------	-----------------

The agreement between the Education Foundation and Waskom ISD is to deposit these funds in specific activity accounts that will allow the teacher to acquire the approved funding as they proceed to implement the grants by purchasing the equipment and supplies and cover the expenses of field trips. The Waskom ISD Education Foundation would like to thank the Board of Trustees for allowing us to assist the teachers of Waskom ISD in enhancing the quality of the instructional experience of all students attending Waskom ISD.
