Item Name: CONSIDER APPROVAL OF ARCHITECT CONTRACT AND PROCUREMENT METHOD FOR FOUNDATION REPAIR AT CAMPBELL ELEMENTARY SCHOOL

Item Summary: On January 20, 2026, four architects were approved for the renovation projects selected in the 2025 Bond Referendum, as well as any additional projects that are approved out of past bond sale savings. Procurement for architect or engineer services is prescribed by law in the Texas Government Code 2254. The Code, specifically 2254.004, requires all submissions to be selected on the basis of demonstrated competence and qualifications. The Bond Program Office also recommends using Competitive Sealed Proposals as the procurement method for this project. This project will be funded from the available savings from the 2022 bond referendum. The budget for this project is \$2,500,000.00.

Recommendation: Administration recommends that the Board of Trustees approve Stantec Architects for the design of the foundation repair at Campbell Elementary School, using the Competitive Sealed Proposal procurement method, and authorize the Superintendent or designee to execute the agreement.
