Response to death of Daunte Wright	<p>The following response to the death of Daunte Wright was emailed to parents and employees:</p> <p>Our school community is deeply saddened by the recent death of Daunte Wright in Brooklyn Center. The deaths of George Floyd, Daunte Wright, and so many others greatly impact all of us, especially people of color who have experienced systemic racism for centuries.</p> <p>The school district and community must respond by providing support to students and families in need, collaboratively establishing equitable policies and practices, and—quite simply—doing the right thing for every person in Red Wing.</p> <p>Please contact a building leader or school counselor if you know of a child or adult in need of support. Resources to support students and families are also available on the Minnesota Department of Education’s website at:</p> <p>https://education.mn.gov/MDE/dse/safe/res/resp/.</p>
