High School Scholar of the Month Named

Congratulations Brackett High School students! We had so many deserving students that we could not pick just one, so yes, we awarded TWO students with the title of Scholar of the Month for January, 2009. These lucky, hard-working students are Serenity Gammill and Graciela Rocha. They were nominated by Brackett High faculty for their commitment to their school work and wonderful positive attitudes! Congratulations Ladies! You make us proud.
