

Collaborative Teams

2010-2011 Accomplishments

- Revised PLC handbook
- Common district training/coaching on PLC standards & assessments:
Total of four standards developed: SMARTe Goals, PLC Meeting Notes, Collaboration, and Data Analysis.
- Set a goal to progress all PLC teams to a minimum of “implementing” on all four district PLC standards
- Benchmarked all district PLC teams three times on two district PLC standards: Collaboration & Data Analysis
- Revised professional development structure to include PD Coordinators and PLC facilitators
- Administrator development in coaching skills for PLC teams
- Administrator training with DuFours PLC workshop

2010-2011 Priorities

- Develop district standard on PLC Instructional Strategy Implementation
- Continue administrator development of coaching skills
- Update PLC Handbook
- Progress all PLC teams to a minimum of “refining” on all four district PLC standards
- Benchmark all district PLC teams three times on two district PLC standards
