

Strategic Plan Standards—Discipline

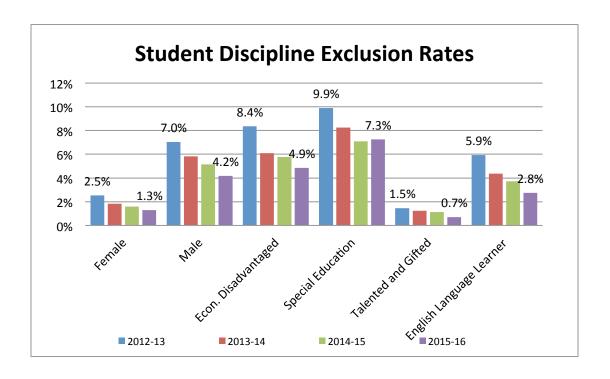

Objective: Reduce the number of students missing class as well as disproportionalities in student exclusions from class based on race/ethnicity and program participation.

Data Sources: Discipline Incident Collection submitted to ODE annually. Special Education discipline data submitted to ODE annually.

Measurement	2013/14	2014/15	2015-16	2016/17 Goal	2017/18 Goal
Number of students missing class as a result of school discipline	1,503	1,332	1,105	1,000	900
Number of class days missed as a result of school discipline	9,362.5	7,705	7,450	6,500	5,500

Analysis

Successes:

- The number of students excluded from class has declined each year from 2013-14 through 2015-16. The percentage of students excluded from class each year has decreased by 26% since 2013-14.
- The number of days missed as a result of school discipline has declined each year from 2013-14 through 2015-16. The percentage of days missed as a result of school discipline has decreased by 20% since 2013-14.
- Overall, in the last four years for all racial and ethnic groups we have seen a reduction in the number of students missing class as a result of school discipline.
- In the last four years the exclusion rates have decreased for all subgroups.
- Out of 33 elementary schools, 29 elementary schools have experienced a reduction in the number of students excluded for student discipline over the last 3 years.
- At the secondary level, 13 out of 17 schools have experienced a reduction in the number of students excluded for student discipline over the last 3 years.
- Twenty-seven elementary schools out of 33 schools reduced the number of class days missed by students based on disciplinary exclusions.
- Twelve out of 17 secondary schools reduced the number of class days missed by students based on disciplinary exclusions.
- The number of students starting the new academic year at Bridges Academy (formerly known as Deer Park Academy) is at an all time low.
- Revision of Student/Parent Resource Handbook to provide resources on alternatives to exclusionary practices
- The overall length of class days missed as a result of disciplinary action has reduced in the last four years for race, ethnicity, and subgroup populations.
- During the 2014-15 school year, the risk ratio for students eligible for special education who were suspended or expelled for greater than 10 school days decreased by 0.78 times from the 2013-14 school year.
- During the 2014-15 school year, the risk ratio for Hispanic students eligible for special education who were suspended or expelled for greater than 10 school days decreased by 1.58 times from the 2013-14 school.

Issues:

- While overall we have seen a decrease in the student discipline exclusion rates for race, ethnicity, and subgroups for the past four years, year-toyear data for Pacific Islanders and Students with Disabilities shows fluctuations in the percentage of students being excluded for disciplinary reasons.
- Four elementary schools have experienced an increase in the number of students who have been excluded from school due to disciplinary reasons over the last three years.
- Four secondary schools have experienced an increase in the number of students who have been excluded from school due to disciplinary reasons over the last three years.
- In 2015-16, black students were 3.3 times more likely than their white counterparts to be excluded from class.
- In 2015-16, Pacific Islander students were 2.1 times more likely than their white counterparts to be excluded from class.
- In 2015-16, Latino students were 1.6 times more likely than their white counterparts to be excluded from class.
- Over the last 4 years, Black and Latino students missed more days of class for disciplinary reasons than their white counterparts.
- Over the last 4 years, male students missed more days of class for disciplinary reasons than their female counterparts.
- Six elementary schools increased the number of class days missed for students based on disciplinary exclusions.
- During the 2014-15 school year, students eligible for special education were 1.76 times more likely to be suspended or expelled for greater than 10 days.
- During the 2014-15 school year, Hispanic students eligible for special education were 3.25 times more likely to be suspended or expelled for greater than 10 school days.
- Students with a Specific Learning Disability are more likely to be suspended or expelled for greater than 10 school days in the Beaverton School District by 16% when compared to all students with a Specific Learning Disability in Oregon.

Action Plan

This year:

- Continued professional development for all school-based administrators on culturally responsive teaching
- Trained three BSD Restorative Justice trainers
- Continued professional development for middle school administrators on teacher support

- Professional development for all level principals and assistant principals on equity leadership
- Continued professional development for student supervisors on culturally responsive discipline practices and other alternatives to exclusionary practices
- Continued development of best practice model for elementary school administrators to reduce exclusionary discipline practices
- Districtwide intervention and special education work group with a focus on academics and behavior
- Development of behavior intervention tracking system in Baseline Edge
- Cross training of counselors, intervention teachers, special education teachers, and administrators on behavioral intervention systems
- Continued instructional assistant supports for buildings with students exhibiting extreme behaviors
- Development of discipline tracking and behavior tool within Synergy
- On-going Restorative Practice trainings for teachers, counselors, social workers, and administrators
- Continued utilization of social workers to connect students and families to mental health services
- Provide professional development on how to monitor, analyze and utilize discipline data collected on the new data system, Baseline Edge
- BEA is providing a series of workshops on culturally responsive classroom practices.

Long-term:

- Implement restorative practices at all schools
- Implement a culturally responsive student behavioral management system at all schools
- Infuse culturally responsive practice philosophy and practices into all aspects of school-based practices, including instruction, behavioral management, school culture, community engagement and extracurricular activities
- Development of a districtwide behavior intervention system with identified staffing and resources
