Guiding Principles at Parkrose Middle School

Parkrose Middle School Objective: *We will prepare every student at Parkrose Middle School for a successful life experience.*

Instruction: We are constantly refining our instruction to best meet the needs of our students and understand that quality instruction has the biggest impact on student learning.

- **AVID-** We use common AVID strategies building wide with all students.
- **S.I.O.P.**(Sheltered Instruction Observation Protocol)- We work to implement S.I.O.P. strategies in our classrooms and lessons.
- **Differentiated Instruction-** We incorporate differentiated instruction into our lessons in order to provide all students with access to a rigorous curriculum.
- **Cultural Awareness-** We embrace cultural diversity which is demonstrated through a culturally rich curriculum.
- **Technology-** We provide students with access to technology through our curriculum and instruction.
- **P.B.I.S.-** We teach students appropriate behavior expectations and have systems in place to reinforce positive behavior.

Extra-Curricular Activities- At Parkrose Middle School we educate the whole student by providing extra-curricular activities including community service, leadership, and athletics.

Professional Learning Communities: At Parkrose Middle School we collaborate in Professional Learning Communities about assessment, data, and instruction.

Common Formative Assessments: We use common formative assessments to collect data and inform our instruction.

Data Collection: We collect, organize, and analyze data to make the best decisions about instructional strategies.

The Parkrose School Community provides a premier education that unlocks the potential in each student.
