

**LIVONIA PUBLIC SCHOOLS
BOARD OF EDUCATION MEETING
February 13, 2017**

ITEM: VI.J.

TOPIC: Recommendation to Relocate Western Wayne Skill Center to Garfield

RECOMMENDATION:

Move that the Board of Education of the Livonia Public Schools School District relocate the Western Wayne Skill Center programs to Garfield Elementary School.

RATIONALE:

Garfield Elementary has been determined to be the best location to service our young adult students with disabilities. It is located in an established community, surrounded by four-way stops in a 25 mile an hour zone, and provides adequate external space for transportation needs. The classrooms and building layout are conducive to current programming opportunities, as we look to meet the needs of our students and staff.

RESOURCE PERSONNEL:

Jennifer Taiariol, Ph.D., Director of Student Services
