Board of Education Report: FY2023-2024 Schedule of Fees

To: Dr. Kent Mutchler, Superintendent
Board of Education

From: Todd Latham, Assistant Superintendent – Business Services 

Date: Monday, April 3, 2023

Meeting: Monday, April 10, 2023

Agenda Item: *FY 2023-2024 Board of Education Adoption of School Fees*

Policy Reference: 4:140 – Waiver of Student Fees

The Superintendent or designee will recommend for adoption to the School Board a schedule of fees, if any, to be charged to students. The Business Office recommends the Board of Education adopt the attached school fees for the School Year 2023-2024. This includes textbooks, consumable materials, extracurricular activities, and other school student fees. Students must also pay fines for the loss of or damage to schoolbooks or other school-owned materials. Additionally, we present school bus rider fees for those requesting transportation but live less than 1.5 miles to their school. New fees are highlighted on each school page.

Fees for textbooks, other instructional materials, and driver education, as well as fines for the loss or damage of school property are waived for students who meet the eligibility criteria for a waiver as described in this policy. In order that no student is denied educational services or academic credit due to the inability of parents/guardians to pay student fees and fines, the following fees are also waived for students who meet the eligibility criteria for a waiver: athletic participation fees, lock fees, towel fees, shop fees, laboratory fees, field trips, and registration fees.

ATTACHMENT(S): School Fees: GELP, Elementary, Middle, High, Transportation
