Dr. Cox and Minidoka County School Board Members:

Mt. Harrison High School would like to establish a school-based publishing account that can be managed at the school level.

We print posters and charge individuals for ink, paper and other expenses. This account would be used for depositing moneys collected for completed jobs and purchasing materials associated with producing jobs and other necessities.

It has been suggested to run this money through vocational funds. However, in doing so, if the money is not spent by the end of the fiscal year, it is lost.

Thank you for your consideration.

Kelly Arritt
Principal, Mt. Harrison.
