

Susan Hankins K-2 Curriculum Specialist

Presentation Focus:

**K-2 curriculum support** occurs with PLC visitations, classroom observations with building Principals receiving feedback, individual classroom modeling, DFG meetings, and timely additions made to Engrade.

**Common Assessment** comparisons with 1st 9 wks and 2nd 9 wks CA's show Language is a target area for K, 1, and 2. Kindergarten Math of fluent addition is targeted for growth, as is First Grade commutative property of addition. Second Grade continues to remain strong.

**Training** within our district for K-2 has included in-house training of Writing with the Common Core, Understanding the ELA Standards, Multi-sensory Math, Multi-sensory Writing, Phonics First and other mini-sessions. Training representatives outside our district have led Reading Street and Envision Math support sessions.
