

## Superintendent Evaluation Updates Recommended by BOT Members:

### Section V-Commitment of Staff to Student Learning

- Additional information needed, such as survey data.

### Section VI-District Community Culture and Climate

- Additional information needed for meetings, such as who was there, what was discussed, and the hot topics.
- Parent engagement staff to provide family engagement information and survey data.
- Communication officer may be able to assist with a journal type device.

### Overall

- Objective vs. Subjective; e.g. staff perspectives and satisfaction.
- Ratings need to be split to reflect where improvements are needed and to provide feedback.
- Missing comment fields need to be added.
