

School Board,

I am writing this document in reference to many things that needs to be discussed in the Athletic Department, Unfortunately I could not attend tonight's meeting I am speaking at the THSCA convention this week.

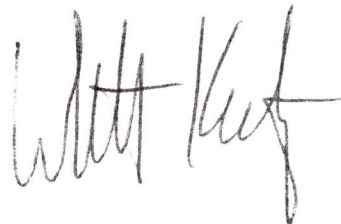

As you know we have hired a great Baseball coach with much knowledge of the game and the way a program should be set up. I recently sat down with Coach Lloyd to go over the program and he gave a list of Need's and Wants'. After going through the list with him and deciding what his Needs were I have submitted you a list of these items, some are hitting tools and some are safety issue equipment. We are in the process of trying to build a program and I feel these items are necessary to do that.

I have submitted bid on redoing the Baseball infield. If you are aware of our situation our Baseball infield is grass and needs to be removed and put in a dirt Infield. The field has many low and high spots that need to be addressed. I have gotten three bids for this project from the most expensive being 114,000.00 to redo everything bring in new grass and make it last forever to 25,000.00 to 14,300.00. I submit you this bid of 14,300 to please consider doing this. This is the bare minimum that can be done and make this a safe and playable surface. This is a capital investment you will not have to spend this money again. Coach Lloyd knows how to maintain a great playing surface and will take care of it from now on.

P.S. I understand this is a tight budget year and I promise you I have worked really hard to get the cost down.

Sincerely

Whitney Keeling

A handwritten signature in black ink, appearing to read "Whitney Keeling". The signature is written in a cursive, somewhat stylized font with a large initial "W".
