Staff/Administrator: John George

Superintendent: Dan Huber-Kantola

Type of Item: ☐ Informational ☒ Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I am requesting approval of the Insight School of Oregon contract for 2009-2010. Insight is a statewide, online, alternative education program that formerly operated as an online charter school. This renewed partnership is designed to recapture those students that are home schooled or have dropped from our district. Also, Insight is working to recapture those students that are currently enrolled in area private schools.

Provide history/background information on your proposal.

The district contracted last year with Insight on a minimal basis as a trial to determine the viability of their program. We have experienced a number of transfer requests for various online charter schools and this program has provided us with an opportunity to provide an in-house option for those families that prefer this method of instruction.

List the advantages of your proposal:

Allows us the possibility to recapture ADM to our district.

List possible disadvantages of your proposal:

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?
