## First Few Weeks of School

We have had a wonderful first few weeks of school at CRES. Our focus as a building this year is making connections with students, families and each other. We had a Back to School Assembly where we reviewed what it means to be respectful and show Paw Pride. We will continue to celebrate students who are demonstrating Paw Pride and also continue practicing and working towards those expected behaviors. Below is diagram of the Paw Pride matrix:

CRES Paw Pride Matrix

**Literacy Training:**

We began our OL&LA literacy training on September 11th. We are very grateful to have the days built into our school calendar as each of the nine required modules take 5-6 hours per module to complete. We are using this state required training to help us reflect and refine our instructional practices within the area of literacy.

**October at a Glance:**

- ❖ Oct. 9: No School at CRES (READ Act Literacy Training for Teachers)
- ❖ Oct. 17 & 18: No School
- ❖ Oct 23: 5th Grade Expo

Respectfully Submitted,
