

Validation Notes for the Report Card (RC) At-A-Glance Report - Version 2018.09.27

This is an updated preview of the school and district At-A-Glance Reports. There are 3 report types:

- Elementary/Middle
- High School
- District.

The Oregon Department of Education (ODE) removed college going rates from the High School RC At-A-Glance Report due to concerns with the accuracy of the post-secondary enrollment data received from the National Student Clearinghouse. The ODE anticipates returning this data element to the High School RC At-A-Glance Report in 2018-19.

Schools and districts need to submit the following information to the RC Narrative Collection in the Achievement Data Insight: **Schools/District Goals**, **Safe & Welcoming Environment**, and **About Our School**. Please note that the RC Narrative Collection will close on September 28, 2018.

By focusing on equity, our district aims to reduce the achievement gap between student groups and ensure that all of our students graduate. To reach this goal we are committed to providing student centered, culturally relevant instruction and to maintain high expectations for all students.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
