WASKOM ISD
SUPERINTENDENT EVALUATION

VI. COMMUNITY AND PUBLIC RELATIONS

- Represents the school in a positive and professional manner
- Actively promotes the school to the public
- Accepts public criticism and responds appropriately
- The board and community are effectively advised of student performance and achievement trends

COMMENTS:

All requested reports and changes are to be effective immediately.

What specific recommendations do you have for the administrator to improve his/her performance?

Recommend improve leadership skill in managing staff.
(ex: Making a decision and communicating to staff then changing direction abruptly)
Provide creative solutions instead of just the awareness of the problem.

What impressed you the most about the administrator's performance this year?

What should be the priorities for the administrator over the next year?

Add Facilities as a priority performance goal.

In what areas has the administrator shown exceptional improvement?

What's your major criticism of the administrator's performance this year?

I rate the overall performance of the Superintendent 1 2 3 4 5 (not applicable)

RECOMMENDATIONS

Recommended for extension of contract

Not recommended for extension of contract
