NOW, THEREFORE, in consideration of the mutual covenants in this Agreement the parties agree as follows:

The purpose of this Agreement is to establish a plan of action for the parties as they relate to DISD providing the temporary use of its buses, vehicles, equipment and personnel to assist with the public transportation during emergency evacuations in times of disasters and emergencies which cannot be met with the usual resources and facilities in accordance with the City's mass evacuation plan; and to provide for the reimbursement of the DISD's expenses as a result of DISD's substantial performance of the tasks described herein. Notwithstanding the DISD's present expressed intention to follow the emergency evacuation plan as stated, it is understood by all parties that the DISD may be unwilling or unable to carry out these tasks as contemplated, and that no legal or equitable penalty or remedy, nor any incidental or consequential damages, are anticipated or bargained for in the event that the DISD chooses, for whatever reason, not to accept the offer under the circumstances contemplated herein. - E. Relocation of victims of Disaster or Emergencies;
- F. Environmental Emergencies;
- G. Relocations due to Epidemics or Outbreaks of communicable disease;
- H. Any other matter requiring mass evacuations or relocations.

SECTION 4. Primary Responsibilities. It is understood by the City and the DISD that each party should be capable of fulfilling its prescribed plan of action under this Agreement. If at any time either party is unable to perform its planned functions under this Agreement, the affected party shall immediately provide notice to the other.

SECTION 5. Procedure for Requesting Mutual Aid.

Providing, however, both the DISD and the City will cooperate fully to recover all costs incurred by the mass evacuation event from the Federal Emergency Management Agency, the Department of Homeland Security or any successor agencies.

SECTION 8. Term, Amendment or Cancellation. This Agreement shall continue in effect until terminated by either party hereto and may be cancelled at any time by either the City or the DISD upon written notice and the parties may mutually agree to amend this Agreement at any time by the express written consent of both parties.

Any performance undertaken pursuant to this Agreement shall be completed as a part of the governmental function of providing emergency services to the public in general and this Agreement is not meant to and shall not be construed as imposing any duty, public or private, on any party hereto to provide any assistance, aid, or care to the other party or to any third party.
