SUBJECT: Strategic Plan

DATE: May 24, 2011

I have met twice with the Cabinet to conceptualize what changes we believe may be useful in streamlining the Strategic Plan. On Tuesday, it is my intention to bring our thoughts to the Board for review, and to see if we are "on the right track". I am sure the Strategic Plan will be something that the Board discusses at the scheduled retreat, so taking a fresh look at this document may be very useful. The discussion at the Board meeting will be designed to provide the Board with a glimpse of how your administrative team believes it can best ensure ongoing implementation. We fully realize that there is a need for deep thought and reflection about this work.
